## **SENATE BILL 1300 (Hutchinson)**

### **SYNOPSIS:**

Senate Bill 1300 amends Title 53 (Municipalities Generally) to establish uniform residential qualifications of office for those who are seeking election or appointment to a municipally elected office where recent military service may interfere with that person's ability to fulfill the proper residency requirements.

### **SUMMARY:**

Senate Bill 1330 amends Title 53 to establish that a person remains a resident of municipality in which the person had previously established domicile during a time of defined active military service for the purpose of satisfying a residency requirement qualification for election or appointment to a municipally elected office. This will apply unless the person takes an action that expresses their intent to establish a new domicile.

Effective Date: 60 days.
